Independent Auditor's Report

To the Board of Directors Wichita Foundation Wichita, Kansas

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Wichita Foundation (a not-for-profit organization) and subsidiary, which comprise the consolidated statements of financial position as of June 30, 2024 and 2023, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Wichita Foundation as of June 30, 2024 and 2023, and the consolidated changes in its net assets and its cash flows for the years then ended in conformity with the accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Financial Statements section of our report. We are required to be independent of Wichita Foundation and meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in aggregate, that raise substantial doubt about Wichita Foundation's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wichita Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wichita Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control—related matters that we identified during the audit.

Regier Can & Mornol, CLA

1. Summary of Significant Accounting Policies

Nature of Operations

Wichita Foundation (WF) was incorporated in October 1986 as the Greater Wichita Community Foundation to channel contributions received from private and corporate donors to a variety of charitable and nonprofit organizations in the greater Wichita, Kansas area. In 1996, the name of the organization was changed to the Wichita Community Foundation. In 2023, the organization name changed to the Wichita Foundation. WCF Support Foundation (WCFS) was incorporated in December 2003 as a wholly owned subsidiary of WF (collectively, the Foundation). The Foundation is directed by a Board of Directors.

Presentation

The Foundation's financial statements are prepared in accordance with the provisions of Accounting Standards Codification 958 (ASC 958), "Not-for-Profit Entities." This standard provides that if a governing body of an organization has the ability to remove a donor designation, the contributions should be classified as net assets without donor restrictions. However, under the Foundation's governing instruments, these net assets are subject to the Foundation's spending policy as approved by the Board of Directors, which allows distributions as the governing body deems is prudent and appropriate. Accordingly, the financial statements classify these net assets as without donor restrictions. However, receipts of unconditional promises to give with payments due in future periods are reported as net assets with donor restrictions. As the future payments are distributed, the net assets with donor restrictions are reclassified to net assets without donor restrictions. Receipts of funds in which the governing document explicitly states a principal amount that may not be expended as designated by the donor have been classified as net assets with donor restriction.

Principles of consolidation

The accompanying consolidated financial statements include the accounts of WF and WCFS. All significant intercompany balances and transactions have been eliminated in the consolidation.

Investments

Investments are carried at fair value and realized and unrealized gains and losses are reflected in the statement of activities. Contributed investments and property gifts, including real estate, are recorded at fair value at date of gift.

Property and equipment

Acquisitions of property and equipment are capitalized at cost when purchased or at fair value at date of gift, when donated. Depreciation is provided by the straight-line method over the estimated useful lives of the assets, generally five or seven years.

1. Summary of Significant Accounting Policies (Continued)

Use of estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Material estimates that are particularly susceptible to significant changes in the near term relate to the determination of the fair value of investments. Management relies on external market quotes in estimating the fair value of investments.

Cash and cash equivalents

For purposes of the statement of cash flows, the Foundation considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. Cash and cash equivalents held by investment managers are considered investments.

Receivables

Contributions receivable and the notes receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Foundation provides for losses on receivables using the allowance method. The allowance is based on experience and other circumstances, which may affect the ability of debtors to meet their obligations. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms. It is the Foundation's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected.

Board designated net assets

Certain net assets without donor restrictions have been designated by the board of directors to administer funds designated for the following purposes:

- Permanent support of specified charitable organizations
- Provide funds to assist and encourage promising students with scholarships
- Particular field or fields of charitable interest
- Fiscal sponsorship of specific projects
- Other donor suggested purposes

1. Summary of Significant Accounting Policies (Continued)

Income Taxes

WF and WCFS are organized as Kansas nonprofit corporations and have been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as organizations described in Section 501(c)(3). The entities are qualified to receive deductible charitable contributions under Section 170(b)(1)(A)(vi) and (viii), and has been determined not to be a private foundation under Sections 509(a)(1) and (3). Each entity is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the entities are subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. Each entity has determined it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

Each entity believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. The entities would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.

Functional Expense Allocation

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include accounting fees, depreciation, dues and subscription, retirement, insurance, office supplies, payroll taxes, parking, postage, rent, salaries, and telephone which are allocated on the basis of estimates of time and effort.

2. Investments

Investments at June 30 consist of the following:

	2024	2023
Investments		
Cash and Money Market Funds	\$ 9,544,462	\$ 9,799,674
Mutual Funds:		
Equity Funds:

2. Investments (Continued)

Net investment income (loss) on the investments for the year ended June 30 is as follows:

	2024		2023
Dividends and interest	\$ 2,878,575	\$	2,675,984
Net realized gains	1,859,568		54,393
Net unrealized gains	3,888,384		3,053,701
Increase (decrease) in cash surrender			
value of life insurance	(4,669)		4,540
	8,621,858		5,788,618
Less management fees and assignable expenses	 (164,197)		(186,979)
Net investment gain	\$ 8,457,661	\$	5,601,639

3. Fair Value Measurements

Accounting Standards Codification 820 (ASC 820), Fair Value Measurement and Disclosures, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Foundation uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Foundation measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

Quoted prices (unadjusted) in active markets for identical assets that the reporting entity has the ability to access at the measurement date. An active market for the asset is a market in which transactions for the asset occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 Fair Value Measurements

Inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. If the asset has a specified (contractual) term, a Level 2 input must be observable for substantially the full term of the asset.

3. Fair Value Measurements (Continued)

Level 3 Fair Value Measurements

Unobservable inputs for the asset. Unobservable inputs shall be used to measure fair value to the extent that relevant observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset at the measurement date. However, the fair value measurement objective remains the same, that is, an exit price from the perspective of a market participant that holds the asset. Therefore, unobservable inputs shall reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset (including assumptions about risk). Unobservable inputs shall be developed based on the best information available in the circumstances, which might include the reporting entity's own data.

Fair Value Measurements at

Fair values of assets measured on a recurring basis are as follows:

4. Notes Receivable

In the effort to engage at an even deeper level with the community, in 2022 the WF Board elected to invest up to 5% of assets held in the Balanced Pool in local impact investment projects. With this initiative, ImpactICT, staff actively seeks opportunities to deploy funds with trusted local nonprofits or businesses, in line with WF values and mission. Each investment has a 3rd party banking or loan partner, and is reviewed by local leaders with expertise in this area. The notes receivable were originated by the Foundation under this new program. The balance consists of four notes receivable, which are unsecured.

The notes receivable bear varying interest rates from 0% to 8% and mature through December 2026. The balance outstanding was \$1,004,200 and \$976,421 for the years June 30, 2024 and 2023, respectively.

4. Notes Receivable (Continued)

Scheduled collections on notes receivable as of June 30 2024 are as follows:

Year end	ing Ju	ne 30,
2025	\$	534,003
2026		350,593
2027		119,604
	\$	1,004,200

5. Property and Equipment

Property and equipment at June 30 consists of the following:

	 2024	 2023
Office furnishings	\$ 138,550	\$ 120,505
Other	53,769	 53,770

	\$ 131,085	\$ 140,703

6. Grant Payable

During the year ended June 30, 2024, the Foundation entered into a sponsorship agreement of \$1,000,000, payable in equal installments of \$200,000 over a five year period to another local nonprofit organization to support a riverfront amphitheater. The amphitheater is to be recognized as the Wichita Foundation Amphitheater.

7. Funds Held for Others

The Foundation acts as fiduciary agent for various not-for-profit organizations. The Foundation's responsibilities as fiduciary agent include, but are not limited to, safeguarding of assets, recordkeeping of transactions, investment management, and ensuring appropriate grant making and distributions. The Foundation's policy is to record deposits to these funds as assets and record an equal liability. Investment income on these funds, net of an administrative fee retained by the Foundation, is either paid to the organizations or reinvested and added to the liability account.

7. Funds Held for Others (Continued)

Balances and activities related to these funds are summarized as follows:

	2024	2023
Liability, July 1,	\$ 14,507,226	\$ 13,672,775
Deposits	234,787	406,296
Investment income	490,946	477,638
Realized and unrealized		
gains on investments	1,060,260	555,910
Distributions	(1,116,709)	(544,305)
Administrative fees	(63,428)	(61,088)
Liability, June 30,	\$ 15,113,082	\$ 14,507,226

8. Endowment

The Foundation's endowment consists of one donor-restricted fund established to support a local museum. CAs required by ASC 958, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of the Foundation has interpreted the Kansas Uniform Prudent Management of Institutional Funds Act (UPMIFA), subject to expressed intent of the donor, as allowing appropriation for expenditure or accumulation so much of an endowment fund as the Foundation determines is prudent for the uses, benefits, purposes and duration for which the endowment fund is established. As a result of this interpretation, the Foundation classifies as perpetually restricted net assets with donor restrictions (a) the original expressed value of gifts donated to the perpetually restricted endowment, (b) the expressed original value of subsequent gifts to the perpetually restricted endowment, and (c) accumulations to the perpetually restricted endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in perpetually restricted net assets with donor restrictions is classified as unrestricted or other donor restricted net assets in accordance with the direction of the donor. In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donorrestricted endowment funds:

- (1) The duration and preservation of the endowment fund;
- (2) The purposes of the institution and the endowment fund;
- (3) General economic conditions;
- (4) The possible effect of inflation or deflation;
- (5) The expected total return from income and the appreciation of investments;
- (6) Other resources of the institution; and
- (7) The investment policy of the institution.

Endowment net asset composition by type of fund as of June 30:

	Without	Perpetual	
	Donor	Donor	
	Restriction	Restriction	Total
June 30, 2024	\$2,153,037	\$1,000,000	\$3,153,037
June 30, 2023	\$2,002,695	\$1,000,000	\$3,002,695

8. Endowment (Continued)

Changes in endowment net assets for the fiscal years ended June 30, 2024 and 2023:

	Without Donor Restriction	Perpetual Donor Restriction	Total
Endowment net assets, June 30, 2022	\$ 1,959,912	\$ 1,000,000	\$ 2,959,912
Other transfers	(31,215)		(31,215)
Investment income	92,610		92,610
Net appreciation, realized and unrealized	114,249		114,249
Grants expense	(124,860)		(124,860)
Administrative fees	(8,001)		(8,001)
Endowment net assets, June 30, 2023	2,002,695	1,000,000	3,002,695
Contributions	100		100
Investment income	95,275		95,275
Net appreciation, realized and unrealized	219,432		219,432
Grants expense	(156,076)		(156,076)
Administrative fees	(8,389)		(8,389)
Endowment net assets, June 30, 2024	\$ 2,153,037	\$ 1,000,000	\$ 3,153,037

Spending policy:

For fiscal year ending June 30, 2024, the annual grant distributions from endowment funds to qualified individuals and agencies would generally be based on four (4) percent of a three (3) year moving average of endowment fund market values, determined one year before the fiscal year in which funds are to be distributed. No change in policy for fiscal year ending June 30, 2024 is anticipated.

9. Retirement Plan

The Foundation currently sponsors a simplified employee pension (SEP) plan covering all eligible employees. The plan provisions provide for Foundation contributions equal to 5% of the covered employee's salary. Eligible employees may also make elective deferrals to a 403(b) annuity plan. The Foundation's contributions to the SEP plan amounted to \$36,631 and \$34,417 for the years ended June 30, 2024 and 2023.

10. Liquidity

The Foundation receives contributions from private and corporate donors that benefit a variety of charitable and nonprofit organizations in the greater Wichita, Kansas area. The significant portion of contributions is received without donor restrictions and has historically exceeded the Foundation's annual operating budget. In addition, the Foundation occasionally receives contributions with donor restrictions which are restricted for specific purposes or to establish endowments that will exist in perpetuity; the income generated from such endowments is used to fund programs or support operations. Other revenue streams, including investment income without donor restrictions and appropriated earnings from investment income with donor restrictions (that is, endowment funds) are available to support its annual operations.

The Foundation considers investment income without donor restrictions, appropriated earnings from donor-restricted endowments, contributions without donor restrictions, and contributions with donor restrictions for use in programs that are ongoing, major, and central to its annual operations as available to meet cash needs for general expenditures. General expenditures include general and administrative expense, fundraising expense, and grant commitments expected to be paid in the subsequent year. Annual operations are defined as total expense related to both program services and supporting services activities.

The Foundation manages its cash available to meet general expenditures through the following three guiding principles:

- Operating within a prudent range of financial soundness and stability
- Maintaining adequate liquid assets
- Maintaining sufficient reserves to provide reasonable assurance that long-term agreements or other commitments and obligations under endowments with donor restrictions will continue to be met, thereby ensuring the sustainability of the Foundation.

10. Liquidity (Continued)

The Foundation operates on an annual budget cycle, which is approved by a Board of Directors. The Board of Directors meets regularly throughout the year to review the consolidated financial statements and approve unbudgeted expenses. The following schedule reflects the Foundation's financial assets available for general expenditure as of June 30, 2024 and 2023, reduced by amounts that are not available for general use due to donor-imposed restrictions and board designated restrictions, or being recognized as funds held for others within one year of the statement of financial position date:

	2024	2023
Financial assets		
Cash and cash equivalents	\$ 271,893	\$ 316,771
Accounts receivable	413	-
Investments	104,735,575	100,759,938
	105,007,881	101,076,709
Less those unavailable for general expenditures		
within one year, due to:		
Funds held for others	15,113,082	14,507,226
Board designated net assets	73,664,701	71,675,130
Net assets perpetually restricted by donor	1,000,000	1,000,000
	89,777,783	87,182,356
Total financial assets available to meet cash needs		
for general purpose expenditures within one year	\$ 15,230,098	\$ 13,894,353

11. Subsequent Events

Subsequent events were evaluated by management through February 7, 2025, which is the date the financial statements were available to be issued.
